There are three irrefutable plays at the crap table that if played over any period of time, and as instructed in this book, will make you a big winner for the rest of your life. Yes, I know this is a big claim, and it would be stupid or irresponsible

of me to make such a statement without backing it up with solid facts and numbers. Well, the numbers are correct and the math doesn't lie. The 3 irrefutable plays in this book work. In fact, by just practicing one of the plays in any casino will guarantee you a significant mathematical edge.

Mitch has been playing winning craps for more than thirty years. He has seen a lot of players lose a lot of money over the years—and only a few win. The fact is, well over 99 percent of people who play craps are losing players. They lose for a number of reasons, but most lose because they are not serious about the game and even though they may feel they know what to do, they don't know how to do it correctly, consistently and with self-discipline. The casino has an edge. We know this. However, the casino does not have an edge when you exploit flaws from other players, thus giving you a noted advantage that can make you a consistent winner.

**The 3 irrefutable bets presented in this book are solid, tested, and irrefutable.** They have worked for decades, perhaps even as far back as one hundred years ago when modern day craps evolved into the game it is today.

The 3 irrefutable bets are the best bets you will ever get from any casino. In blackjack, counting cards use to be the way to go; but these days it is difficult with casino heat too hot and the hourly rate not worth the while for most small players. This leaves one option in the casino—craps.

How to Play Craps and Win is undoubtedly, ordained to be a classic among hard-hitting gambling books. And for the price of a cup of coffee it is priced to please.

When you download *How to Play Craps and Win*. today, you'll get an easy to follow plan for winning craps. Freeland's knowledge of the game and how to take profits is inspiring and well worth every penny.
