Landfall: The Ship Series // Book One By Jerry Aubin

The Ship fled a dying Earth to save the human race.

Launched as the last gasp of humanity, the Ship set out to preserve the species by seeding the universe with one billion colonists. Generations of Crew, trained to be either Flight or Marines, have spent 5,000 years protecting the Ship and its civilian cargo from the constant threat of alien violence.

Fifteen-year-old Zax has always had trouble fitting in with the other cadets, but he's finally on the cusp of attaining his dream and gaining entrance to the Pilot Academy. Catching the eye of the Flight Boss and winning him as a mentor should guarantee Zax a top spot, unless the shocking discovery he makes along the way destroys not only his career, but also the Ship itself.

Editorial Review

Review

"The author immediately grabs hold of the delicate, magical balance essential to great YA fiction that will appeal to all ages, and he never lets go...I will be as bold to foretell that once the entire series of the planned five books is complete, Jerry Aubin may have an overall YA winner as highly heralded as Orson Scott Card's ENDER'S GAME."

-Tinfoot, TOP 50 Amazon Reviewer

"Welcome to your new favorite YA sci-fi series! With elements of Orson Scott Card's Ender's Game and the best of Rick Riordan's Percy Jackson books, Landfall kept me burning through the pages. I hope Jerry Aubin is typing right now, because I can't wait to return to The Ship!"

-Owen Egerton, author, screenwriter, director

From the Author

The story of the Ship Series will be told over five books. Book One (Landfall) and Book Two (Revolution) and Book Three (Homeward) are available now. Book Four and Book Five will be available in 2017.

Each book will be a complete story with a beginning/middle/end, but they build on each other and will be best enjoyed when read as a series in sequence. I want the reader to leave each book wanting to read the next, but the endings are not intended to be true cliffhangers.

From the Back Cover

"*Landfall* hurls us into a frightening and fascinating future rich with action, mystery, and unforgettable characters."
