By John Lidzey

Mix Your Own Watercolors (Artist's Library Series) By John Lidzey

Mix Your Own Watercolors is the complete artist's guide to successfully mixing watercolor paint colors. As you explore color theory, you will learn all about the basics—from color relationships evident on the color wheel to the meaning of hue, tone, and intensity, as well as all about translucent colors, granulations, and backruns. You'll also discover how to mix specific watercolor pigments, following precise ratios for mixing yellows, oranges, reds, violets, blues, greens, browns, and other neutrals—all with the help of full-color photographs and color-group illustrations. Anyone serious about the art of watercolor should not be without this book!

Editorial Review

From the Publisher
Serious Instruction for Serious Artists

That's what the Artist's Library series is all about! The books in this series will help you expand your creativity, overcome technical obstacles, and explore new media. Each 64-page paperback focuses on the materials and methods of a specific medium and provides step-by-step demonstrations, helpful tips, and plenty of encouragement.

The quality of instruction in this series is unsurpassed. Each book is written and illustrated by a professional artist who specializes in the particular medium and is uniquely qualified to guide the reader to a new level of expertise.

About the Author

After a period of part-time study at art college, John Lidzey became a graphic designer and worked in several London art studios and advertising agencies. Following this, he taught typographic and graphic design at London art schools until he left education to pursue his own interests in painting in watercolor. He now lives in Suffolk, England, painting, exhibiting, and writing, and his artwork has appeared in many books and periodicals. John's work is known for its tonality and rich color, and his enthusiasm for this aspect of watercolor is conveyed throughout this book.
