By Davita Silfen Glasberg, Deric Shannon

**Political Sociology: Oppression, Resistance, and the State** By Davita Silfen Glasberg, Deric Shannon

Designed to help students analyze and understand political developments in the world around them, this unique text covers a wide array of political sociology concepts and theoretical perspectives. The book's multidimensional view emphasizes the interplay between power, inequality, multiple oppressions, and the state. Blending elements of today's prevalent power structure theories, this framework provides students with a unique focus on the structure of power and inequality in society today.

This unique book traces common perspectives within political sociology. However, it adds to the existing field using an intersectional analysis by including state projects around gender, race, and sexuality. Likewise, it engages with commonly ignored perspectives within political sociology such as queer theory, anarchist theory, and post-structuralism. This gives the book a multi-dimensional view that recognizes the need to include, but move beyond, class-based understandings as well as account for the increasing popularity of anarchist, queer, and post-structuralist theories.

### Editorial Review

#### About the Author

**Davita Silfen Glasberg** is a Professor and Chair of the Sociology Department at the University of Connecticut-Storrs. She has published extensively on issues of bank hegemony, the state in finance capitalism, and political economy, including *The Power of Collective Purse Strings: The Effects of Bank Hegemony on Corporations and the State* (University of California Press). She is also deeply involved in research regarding the social constructions of race, class, and gender. I am currently working on a book about power, oppression, and the state, which explores this question. She has co-authored the following college texts:

- Kenneth J. Neubeck , Mary Alice Neubeck , and Davita Silfen Glasberg , *Social Problems* (5 th edition). 2007. New York : McGraw-Hill.
- Kenneth J. Neubeck and Davita Silfen Glasberg . 2005. *Sociology: Diversity, Conflict, and Change* . New York : McGraw-Hill.

**Deric Shannon** received his B.A. and M.A. in Sociology from Ball State University and his PhD in Sociology from the University of Connecticut, and currently he is an Associate Professor at Quinebach Valley Community College. He authored "Anarchism, Communism, and Socialism" in the *Encyclopedia of Modern Revolutions* (James Defronzo, ed.) and is co-editor of *Contemporary Anarchist Studies: An Introductory Reader of Anarchy in the Academy* (Routeledge).
