Editorial Review

About the Author

Award-winning author Rhea Rhodan resides in Minnetonka, Minnesota. She's been telling herself stories since long before she learned to write. She attended the University of Minnesota with a focus on Journalism, then Brown Institute for Broadcast Journalism. After many adventures, misadventures, and a couple of short marriages, she found the love of her life in Regensburg, Germany, and has been living happily ever after since.

She journaled those adventures extensively (some might say rabidly) beginning in middle school, but didn't combine her writing and story-telling until several years ago, when one of the stories grabbed her by the throat and shook her like a rag doll until she gave in and wrote it. Having tasted freedom, her muse refuses to return to the confines of her head, and has successfully turned the tables, keeping her at the keyboard to appease it.

She welcomes feedback and fan mail :>) (rhea@rhearhodan.com). You can join her on Facebook and Goodreads, too. Rhea is always happy to meet new friends.
