

The Rise and Fall of the Spanish Empire

By William S. Maltby

The Rise and Fall of the Spanish Empire By William S. Maltby

At its peak the Spanish empire stretched from Italy and the Netherlands to Peru and the Philippines. Its influence remains very significant to the history of Europe and the Americas. Maltby provides a concise and readable history of the empire's dramatic rise and fall, with special emphasis on the economy, institutions and intellectual movements.

Editorial Review

Review

“Maltby's synthesis does an outstanding job of describing and interpreting the interplay between Spain and the discrete parts of its European empire and American colonies. Based on secondary materials, accompanied by helpful maps, a bibliographical essay, and a glossary, and written for a general audience, this book should be in every public and academic library. **Summing Up:** Essential. Public and undergraduate libraries.” - CHOICE

Review

Choice Outstanding Academic Title for 2009
