

## The Uses of Disorder: Personal Identity and City Life

By Richard Sennett

**The Uses of Disorder: Personal Identity and City Life** By Richard Sennett

“[Sennett] has ended up writing the best available contemporary defense of anarchism. . . . The issues [he] raises are fundamental and profound. His book is utopian in the best sense—it tries to define a radically different future and to show that it could be constructed from the materials at hand.” –Kenneth Keniston, *New York Times Book Review*

The distinguished social critic Richard Sennett here shows how the excessively ordered community freezes adults—both the young idealists and their security-oriented parents—into rigid attitudes that stifle personal growth. He argues that the accepted ideal of order generates patterns of behavior among the urban middle classes that are stultifying, narrow, and violence-prone. And he proposes a functioning city that can incorporate anarchy, diversity, and creative disorder to bring into being adults who can openly respond to and deal with the challenges of life.

### Editorial Review

#### Review

"The issues Sennett raises are fundamental and profound. The book is utopian in the best sense - it tries to define a radically different future and to show that it could be constructed from the materials at hand.' New York Times Book Review 'We are prompted to think and dream and question old and tired cliches and some more recent ones, too, by an author whose mind is rich, wide-ranging, and, best of all, not afraid of life's ambiguities, not tempted to banish them all with ideological rhetoric' Robert Coles"

#### About the Author

Richard Sennett's books include *The Corrosion of Character*, *Flesh and Stone*, and *Respect*. He was the founding director of the New York Institute for the Humanities and now teaches sociology at New York University and at the London School of Economics.

### Users Review

#### From reader reviews:

##### Stephen Williams:

In this 21st millennium, people become competitive in each and every way. By being competitive today, people have to do something to make them survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that at times many people have underestimated this for a while is reading. Sure, by reading a guide your ability to survive improve then having chance to stay than other is high. In your case who want to start reading some sort of book, we give you this particular *The Uses of Disorder: Personal Identity and City Life* book as basic and daily reading e-book. Why, because this book is greater than just a book.

##### Guillermo Behler:

As people who live in the particular modest era should be update about what going on or info even knowledge to make these people keep up with the era which is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to you is you don't know which you should start with. ##### Joshua Yoshida:

People live in this new morning of lifestyle always try to and must have the time or they will get wide range of stress from both way of life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to you of course your answer will unlimited right. Then do you try this one,

reading books. It can be your alternative throughout spending your spare time, the book you have read is usually The Uses of Disorder: Personal Identity and City Life.

**Samuel Puckett:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Uses of Disorder: Personal Identity and City Life can make you truly feel more interested to read.
