A Pig Parade Is a Terrible Idea By Michael Ian Black

Could anything possibly be more fun than a pig parade!? You wouldn't think so. But you'd be wrong. A pig parade is a terrible idea. Pigs hate to march, refuse to wear the uniforms, don't care about floats, and insist on playing country music ballads. Those are just some of the reasons. And trust me, this hysterical book has plenty more!

Editorial Review

From School Library Journal

K-Gr 3—An omniscient narrator explains why a pig parade is not the great idea that one might think it is. Who knew? These barnyard animals hate to march (preferring, inappropriately, to snuffle); flat out refuse to wear majorette uniforms; don't care about building floats ("the only floats pigs care about are root beer floats"); and prefer sad country music ballads to "good, spirited marching band music." Bold, full-color acrylic illustrations, painterly in their texture, hilariously extend the wacky premise with witty details (bungee cords secure the pigs' ill-fitting majorette uniforms) and varied perspectives (a pig snout snuffles for leftovers in a larger-than-life close-up). The story's conclusion, that "a panda bear parade, on the other hand, would be fantastic," is just as silly and arbitrary. The tongue-in-cheek tone of the text coupled with the large-scale illustrations and generous trim size make this a surefire storyhour read-aloud that will elicit laughter and cheers of delight.—Kathleen Finn, St. Francis Xavier School, Winooski, VT. Starred Review Perhaps you had not even thought about the idea of a pig parade. But as this book makes clear, before you do, dismiss it from your mind. There are sooo many reasons a pig parade is a bad idea. For one thing, pigs hate to march. And they refuse to wear majorette uniforms. This, by the way, is not because they consider them unflattering ("Everybody looks sharp in a majorette uniform"), but they are a bit difficult to put on. They don't like marching tunes, and their hooves are too small to control the giant balloons. So, a pig parade is a terrible idea . . . but a clever ending offers another option. If this book's arch-toned text wasn't flat-out funny enough, Hawkes' deliciously down-and-dirty art takes the concept to a whole other level. These are not shiny pink porcine paraders we're talking about (as seen in the opening spread of idealized marchers). Hawkes' porkers are huge, hairy, beady-eyed snufflers who, contrary to the unseen narrator's belief, prove that not everyone looks good in a majorette uniform. Filling up the pages, the pigs break instruments, stumble into stampedes, and cry over country music. Horror will mix with hysterical laughter when kids (and adults) get ahold of this one. Preschool-Grade 2. --Ilene Cooper

Review

* "If this book's arch-toned text wasn't flat-out funny enough, Hawkes' deliciously down-and-dirty art takes the concept to a whole other level.... Horror will mix with hysterical laughter when kids (and adults) get ahold of this one." -**BOOKLIST, STARRED review**

* "Black's pitch-perfect porcine parody sets off at a brisk pace.... The Monty Pythonesque premise delivers laugh after laugh, while Hawkes's portraits of pigs chewing on their band hats, tromping on their horns, and floating into outer space with parade balloons will win over readers of all ages." - **PW, STARRED review**

"The winner of the Most Absurd Picture Book of the Year Award, if there were one, would have to go to 'A Pig Parade Is a Terrible Idea,' written by Michael Ian Black and drawn by Kevin Hawkes. The joke is in the comically drawn-out contrast between the cute marching pigs of our imagination and the realistically sticky, glistening-nosed, frowning hogs."--*New York Times Book Review*

* "The tongue-in-cheek tone of the text coupled with the large-scale illustrations and generous trim size make this a surefire storyhour read-aloud that will elicit laughter and cheers of delight."-- **SLJ, STARRED review**
