Editorial Review

Review

"The author does much to banish the myth of Mamie being another version of the hollywood blonde (Marilyn, Jayne etc). She was way out there on her own and way ahead of her time - her beauty style and choice of film roles far removed from the her fellow actresses." Miss Swingin' Elsinby 1969

"Well-organized study...well-researched and informative text. Film enthusiasts will especially enjoy this book." --*Library Journal*

"Fun and informative reading...excellent...I applaud the author for his efforts." --*Classic Images*
