#### About the Author

This captivating, story-based guidebook for the spiritual seeker outlines specific methods for getting through life's experiences by connecting with All That Is, ultimately creating a personal Heaven on Earth.

With courage and honesty, Guice describes a past filled with addictions that helped to numb painful emotions arising from lack of self-esteem. After a lifetime of perceiving herself as not good enough, she has an awakening where she hears the voice of God, and life is never the same. She becomes the spiritual seeker and has spiritual experiences that take her to places she never dreamed of.

You will learn about meditation, spiritual journeys, and a six step process of Becoming Multisensory. As the author begins to LISTEN and BECOME AWARE of everything around and within her, old negative thoughts and practices are discarded and she takes a different, less traveled road. This book is an emotionally moving autobiography interspersed with stories of healing, synchronicity, and Divine Guidance that will motivate and inspire you. You will learn how to meditate, how to listen to your intuition, how to watch for signs from nature and the dreamtime, and how to make wise decisions that empower you.
