Explorations in Classical Sociological Theory: Seeing the Social World By Kenneth Allan

Continually praised for its conversational tone, personal examples, and helpful pedagogical tools, the exciting Third Edition of Kenneth Allan's **Explorations in Classical Sociological Theory: Seeing the Social World** has been reorganized around the modern ideas of progress, knowledge, and democracy. With a historical thread woven throughout the chapters, the book presents a diverse selection of major classical theorists: marx, Spencer, Durkheim, Weber, Simmel, Mead, Schutz, Martineau Gilman, Du Bois, and Parsons. Author Kenneth Allan focuses on the specific views of each theorist, rather than schools of thought, and highlights modernity and postmodernity to help readers understand how classical theory applies to their lives.

Editorial Review

About the Author

Kenneth Allan received his PhD in sociology from the University of California, Riverside (1995), and is currently professor of Sociology at the University of North Carolina at Greensboro (UNCG). Before moving to UNCG, he directed the Teaching Assistant Development Program at the University of California, Riverside, and coedited *Training Teaching Assistants, 2nd Edition* (1997), published by the American Sociological Association. In addition to teaching classical and contemporary theory at UNCG, Allan also supervised UNCG's sociology iSchool program, which offered online introduction to sociology classes to high school students across North Carolina, has designed several online courses for both the college and department, and has regularly taught graduate pedagogy courses. Allan's research areas include theory, culture, and the self. He has authored several works in the area of theory, including multiple textbooks covering classical and contemporary theory, as well as *The Meaning of Culture: Moving the Postmodern Critique Forward*, and *A Primer in Social and Sociological Theory: Toward a Sociology of Citizenship*. His current projects include a social history of American individualism, a sociological analysis of consciousness and self, as well as a novel based in early 20th century American life.

Users Review

From reader reviews:

William Boehme:

In this 21st century, people become competitive in every way. By being competitive now, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated that for a while is reading. Yes, by reading a e-book your ability to survive increase then having chance to stand than other is high. For you personally who want to start reading a book, we give you this specific Explorations in Classical Sociological Theory: Seeing the Social World book as nice and daily reading publication. Why, because this book is greater than just a book.

Samuel Rascon:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is inside former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Explorations in Classical Sociological Theory: Seeing the Social World as the daily resource information.

Jerry Raminez:

Reading a book to become new life style in this year; every people loves to go through a book. When you read a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, in addition to soon. The Explorations in Classical Sociological Theory: Seeing the Social World will give you new experience in studying a book.

James Harris:

It is possible to spend your free time you just read this book this publication. This Explorations in Classical Sociological Theory: Seeing the Social World is simple to deliver you can read it in the playground, in the beach, train in addition to soon. If you did not include much space to bring often the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.
