Fatal Exchange (Southern Crimes Book #2): A Novel By Lisa Harris

Emily Hunt might come from a family of cops, but she never goes looking for an adrenaline rush. She lives the quiet--well, relatively quiet--life of a teacher and thrives on making a difference in the lives of her students. But she'll have to draw on a well of strength and savvy she didn't know she had as student Rafael Cerda takes her class hostage for ransom money to save his brother's life.

Undercover cop Mason Taylor has been working with Rafael to find his brother and bring the cartel thugs who hold him to justice. Can he talk Rafael down from his impulsive actions? And is there something more sinister at work here than he realizes?

Fatal Exchange draws readers into a complex matrix of intertwining lives and unraveling secrets, where every answer creates more questions. Romantic suspense fans will hardly want to come up for air.

Editorial Review

From the Back Cover

Desperate times create desperate people. And desperate people are dangerous . . .

Though Emily Hunt comes from a family of cops, the relatively quiet life of a high school teacher suits her just fine. She's saving up to buy a house, slowly moving forward after her brother's death, and settling into a life she loves. So the last person she wants to spend time with is Mason Taylor.

An undercover cop, Mason is enemy number one as far as her family is concerned. His involvement in the death of Emily's brother is still up in the air, and now he expects her to help him with a case. Mason has been working with one of her students, Rafael Cerda, whose brother has been kidnapped by a drug cartel. And with time running out to meet their demands, Rafael is getting desperate.

Emily will have to draw on all of her strength to handle what happens next . . .

Fatal Exchange will draw you into a complex matrix of intertwining lives, unraveling secrets, and unexpected love.
