Fellatrix II: Blow Job Intimacy Tips to Give Better Head By Eva Arlington

As modern women, we often forget that our natural essence is that of being soft, feminine and nurturing to the man we love. Oral sex is one of the highest forms of intimacy there is, and for some women, a blowjob is useful in breaking down communication barriers and expressing love when words can't describe it.

While Eva's first guide, *The 30 Minute Blowjob*, explicitly showed women how to step up the sexual openness in their performance and take their blowjobs to new heights of kinky excitement, *Blowjob Intimacy* is a more sensual guide for women looking to improve the quality of their blowjob skills, and apply oral sex in a manner that communicates to their husband.

Blowjob Intimacy allows you to take charge so your man can finally let go. Enjoy developing magnetic skills to bring out your trusting, vulnerable and feminine side in the bedroom as you finally learn how to really let your body language passionately communicate for you.

Opening up your relationship to new levels never felt this good - at least not to him.
