### Simple Crocheting: A Complete How-to-Crochet Workshop with 20 Projects By Erika Knight

*Simple Crocheting* is the perfect book for the beginner. Under Erika Knight's guidance even those who have never picked up a crochet hook before will soon be making gorgeous projects and all the while learning new techniques and adding to their skills. Each of the 20 projects in the book will teach you a new stitch, technique, or trick. And with each pattern you complete, you will build on and consolidate crochet techniques already learned in the preceding projects, until you have mastered a wide repertoire of skills and completed an enviable collection of crocheted items.

*Simple Crocheting* showcases the incredible variety of finishes that different crochet techniques can produce. Erika begins with simple scarves and hats that are chic accessories as well as being the perfect items to practice basic stitches. She then takes you through the dense textures of double and treble crochet---which make excellent bags, purses, and even a laptop case---and then moves on to the more intricate, delicate lace and cluster stitches---perfect for heirloom shawls and antique-style cushions. Freeform or random crochet takes the craft to a more demanding level and projects like the edge-to-edge cardigan will provide a new challenge for all creative crocheters.

With exquisite photography by Yuki Sugiura that perfectly shows each of the beautiful designs, and supported with clear diagrams and illustrations, Erika Knight has created the ultimate book for all enthusiasts of this remarkable craft.

### Editorial Review

#### Review

“Erika Knight..brings her clean, unfussy design sensibility to crochet. The book aims at beginner-level crocheters, but the projects will entice even the advanced among us.” ?*Interweave Crochet*

“Too often, crochet books veer toward amigurumi-cute or unfashionably retro, so Knight's intelligent, modern introduction to crochet is especially welcome.” ?*Nannete Donohue, Library Journal*

“Each new stitch, trick or technique that you learn from the twenty projects will make you a more skilled crocheter.... This is an easy-to-follow how-to crochet book. The projects are stylish and you will learn about a lot about crocheting. If you enjoy both crocheting and knitting, ” ?*Paula Moliver, examiner.com*

“These projects give anyone a chance to hone their skills while learning new stitches, techniques, or tricks.” ?*Quick & Easy Crochet*

“[*Simple Crocheting*] has so many projects I want to try.... The photography and graphics are so clear for each step. This book makes me want to learn even more about crocheting.” ?*Sew Spoiled blog*

“The projects in this book are simple yet sophisticated, and could serve as the starting point to a new craft. Her goal with this book is to simplify and communicate her passion for crochet with accessible yet enticing projects that are good for beginners through master levels.... *Simple Crocheting* is not just a book of how-to's, Erika shares design principles like building a color palette and other unique design secrets. I'm happy to include this in my growing craft library.” ?*Pulp Sushi blog*

“If you are a beginner who is inspired by the look of well photographed projects, this might be the beginner crochet book for you.” ?*Underground Crafter blog*
