

Small is Big

By Tony Dale, Felicity Dale, George Barna

Small is Big By Tony Dale, Felicity Dale, George Barna

Church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God’s church. How might we change the world if our Christian faith began multiplying at a rapid pace?through a way of life that is explosive and transformational? It happened once before, in the early days of the church; what will it take to bring us to that point of urgency and determination again? *Small Is Big* (originally published as *The Rabbit and the Elephant*) offers keys to 21st-century evangelism: leveraging the power of the small?and taking the gospel to where the people are and the pain is. And as God uses us to channel Jesus’ love into a hurting, desperate world, we’ll see his church grow beyond anything we could have imagined.

Editorial Review

From the Inside Flap

If you put two elephants in a room together and close the door, in three years you may have one baby elephant. But when you put two rabbits together for the same amount of time. . . .

Using this simple analogy, church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God's church. How could we change the world if our Christian faith began multiplying at a rapid pace through a way of life that is explosive and transformational? It happened once before, in the early days of the church; what will it take to bring us to that point of urgency and determination again?

The Rabbit and the Elephant offers keys to twenty-first-century evangelism: leveraging the power of the small and taking the gospel to where the pain is and where the people are. And as God uses us to channel Jesus' love into a hurting, desperate world, we'll see his church grow beyond anything we could have imagined.

Users Review

From reader reviews:

Adria Jenkins:

What do you do about book? It is not important together with you? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They have to answer that question because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this Small is Big to read.

Jerrod Spicher:

Would you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Aim to pick one book that you never know the inside because don't ascertain book by its deal with may doesn't work is difficult job because you are afraid that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer could be Small is Big why because the wonderful cover that make you consider in regards to the content will not disappoint you. The inside or content will be fantastic as the outside or cover. Your reading sixth sense will directly guide you to pick up this book.

Anna Bailey:

In this period of time globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspaper,

book, and soon. You can observe that now, a lot of publisher that print many kinds of book. Often the book that recommended to you personally is Small is Big this book consist a lot of the information on the condition of this world now. That book was represented how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. Often the writer made some research when he makes this book. That is why this book ideal all of you.

Jamie Wallace:

That e-book can make you to feel relax. This specific book Small is Big was vibrant and of course has pictures on there. As we know that book Small is Big has many kinds or category. Start from kids until young adults. For example Naruto or Private eye Conan you can read and think that you are the character on there. Therefore not at all of book are generally make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that will.
