The Great Hunt (Eurona Duology) By Wendy Higgins

Wendy Higgins, the author of the *New York Times* bestselling Sweet Evil series, reimagines a classic Brothers Grimm fairy tale with *The Great Hunt*, a dramatic, romance-filled fantasy with rugged hunters, romantic tension, and a princess willing to risk all to save her kingdom.

When a monstrous beast attacks in Eurona, desperate measures must be taken. The king sends a proclamation to the best and bravest hunters: whoever kills the creature will win the hand of his daughter Princess Aerity as a reward. The princess recognizes her duty but cannot bear the idea of marrying a stranger—she was meant to marry for love—until a brooding local hunter, Paxton Seabolt, catches her attention. And while there's no denying the fiery chemistry between them, Princess Aerity feels that Paxton's mysteriousness is foreboding, maybe even dangerous.

Paxton is not the marrying type. Nor does he care much for spoiled royals and their arcane laws. He is determined to keep his focus on the task at hand—ridding the kingdom of the beast—but the princess continues to surprise him, and the secrets he's buried begin to surface against his wishes.

From the Back Cover

Kill the beast. Win the girl.

A strange beast stirs fear in the kingdom of Lochlanach, terrorizing towns with its brutality and hunger. In an act of desperation, a proclamation is sent to all of Eurona--kill the creature and win the ultimate prize: the daughter of King Lochson's hand in marriage.

Princess Aerity understands her duty to the kingdom though it pains her to imagine marrying a stranger. It would be foolish to set her sights on any particular man in the great hunt, but when a brooding local hunter, Paxton Seabolt, catches her attention, there's no denying the unspoken lure between them...or his mysterious resentment.

Paxton is not keen on marriage. Nor does he care much for spoiled royals and their arcane laws. He's determined to keep his focus on the task at hand--ridding the kingdom of the beast and protecting his family--yet Princess Aerity continues to challenge his notions with her unpredictability and charm. But as past secrets collide with present desires, dire choices threaten everything Paxton holds dear.

Inspired by the Grimm Brothers' tale, "The Singing Bone," *New York Times* bestselling author Wendy Higgins delivers a dark fantasy filled with rugged hunters, romantic tension, outlawed magic, and a princess willing to risk all to save her people.
