

The New Urban Sociology

By Mark Gottdiener, Ray Hutchison

The New Urban Sociology By Mark Gottdiener, Ray Hutchison

Organized around an integrated paradigm—the sociospatial perspective—the fourth edition of this breakthrough text considers the impact of social factors such as race, class, gender, lifestyle, economics, culture, and politics on the development of metropolitan areas. Moving beyond the traditional city–suburb dichotomy, *The New Urban Sociology* provides a unique focus on the continuously changing nature of metropolitan regions. It integrates the social ecological with the political economy paradigm through a fresh theoretical approach emphasizing the importance of space to social life and real estate to the economy and urban development. This fully revised edition features a new chapter on metropolitan social policy and expanded discussions of international regions, key concepts, and the effect of the economic crisis on housing markets, public policy, and urban development.

Editorial Review

Review

“The best urban sociology textbook available! This updated version of Gottdiener and Hutchison's respected text stands out for its critical sociospatial approach accenting key development actors, attention to urban theming and semiotics, savvy discussions of racial/gender issues, and studied attention to global contexts of U.S. and overseas urban development.”

—**Joe Feagin, Texas A&M University**

“*The New Urban Sociology* blends theory and examples to give readers an accessible and engaging work suitable for undergraduates, urban scholars, and general readers. Gottdiener and Hutchison provide an innovative and brilliantly structured text to shed fresh light on the dominant trends and global processes shaping cities and urban life.”

—**Kevin Fox Gotham, Tulane University**

“Bringing our understanding of global urban trends and recent urban policies bang up to date, *The New Urban Sociology* embraces a wide range of social, cultural, economic and political themes and issues. Clearly organized and smartly written, the volume will be of immense value to students of urban studies, urban history, and sociology and anyone interested in the key metropolitan issues of our time.”

—**Mark Clapson, University Of Westminster**
