The Reckoning (Legacy of the King's Pirates) (Volume 5) By MaryLu Tyndall

The Reckoning is a rollicking time travel adventure that plummets the reader into a world of treachery, adventure, and romance. Trust me. You won't want to miss this one! *Michelle Griep, author.*

When Morgan Shaw crept into the hold of an old pirate ship replica at San Diego's Annual Tall Ship Festival, her only intention was to avoid the guy who had just dumped her and who was now boarding the ship with two women on his arm. What she didn't expect was to wake up aboard a real pirate ship three-hundred years in the past. But of course, it wasn't real. Her wealthy father had obviously staged it all in an effort to get her mind off her upcoming chemo. Or had he?

Pirate Rowan Dutton seeks enough treasure to repay a debt to his sister and reinstate the Dutton name among British Jamaican Society. He is but one major haul away from accomplishing his goal when a strange woman appears on his ship and causes him to lose his prey. Despite his anger, he is enthralled with the little minx, her strange clothing, odd speech, and her insistence that they are all actors playing a charade paid for by her father.

Yet when the brazen little lady divulges Rowan's secret to a longtime nemesis, events are triggered that could cost them both their lives and change the course of history forever.

FOUR STARS! Romantic Times

Christian readers will enjoy this fantastical time-travel tale filled with adventure and redemption ... Pirate battles, treasure hunts and acceptance of faith all work together to create a beautiful love story. **Hope Piro, Romantic Times**

What an amazing, unpredictable read with more twists and turns than a treasure map! Initially I was not sure about the time travel aspect of the story, but MaryLu Tyndall wrote it so realistically that I stayed glued to the pages with emotions as tossed as a ship upon the waves. *Diana Flowers, Book Reviews*

With its faith message woven naturally into the story, **this tale contains plenty of action, danger on the high seas, and romance.** I devoured this book in a long evening, *Mocha with Linda reviews*

This is one of those "I can't put it down!" kind of books. The opening page grabs you and won't let go! *Molly Malloy, Book Reviewer*

I love the sparks that jump from the page every time these two are in the same room! She's so headstrong that she refuses to take orders, and he's a pirate captain who runs his ship with complete control. The banter between these two is priceless! *Karen Martin, author*

After reading nearly everything MaryLu Tyndall has written I was eager for another pirate yarn. The Reckoning was just such a story. **From the smelly bilge to the lush descriptions of the Caribbean sea this an adventure to engage all your senses!** *KateJoe from DailyReader*

It's a story you won't want to miss and one I HIGHLY recommend. I encourage you to set aside a block of time because once you set sail on the Reckoning you'll forget all about your `to do' list. *Love 2 Read Novels by Sherry*
